Prayer Thoughts

Thanking God For Vacation Bible School

This was a great year for VBS, and we want to thank God! Here are some key figures:

Total Enrollment: 387

Adult Enrollment: 72

Youth Enrollment: 81

Children Enrollment: 93

Preschool Enrollment: 68

Workers: 73

Average Attendance: 288

Average Attendance Last Year: 220

All four divisions were up, especially the youth and adults. (Several years of hard work in those areas are now paying off!) A few other trends made us smile: (1) More people enrolled online than in person. (2) Door-to-door fliers (distributed by our youth) were more effective than normal. (3) Our teens hadn't been this excited about VBS for years!

Thank God for our excellent workers!

Thank God for the 17 decisions for Christ!

Thank God for increased attendance in all groups.

Thank God for many new prospects!

And pray for next year . . . we will add a new class for Spanish speaking adults—which should increase our children's attendance as well!
